Description

The project is located in the west in the Lapta region, a 22-minute drive to the tourist center of Northern Cyprus - Kyrenia.

The project consists of 152 apartments and 10 premium villas with breathtaking views of the sea and mountains.

The project is located close to the beaches of Sunas Beach Bar, Sardunia, Camelot, Lapta walking path, Merit hotels, etc.

The complex will have such infrastructure as a restaurant, 2 outdoor swimming pools, an indoor heated swimming pool, a mini-market, an office of the management company, a

children's playground, a mini water park, etc.

The project has 8 different types of housing, each type has been given a planet name according to their size.

Also within the complex, you can spend time with your loved ones in the Nova Center, which is located at the entrance to the project territory.

Object types:

- 1+0 ground floor studios and penthouses (Mercury)
- 1+1 on the ground floor and penthouses (Mars)
- 2+1 on the ground floor and penthouses (Venus)
- 2+1 with linear pool on the ground floor and penthouses (Earth)
- 3+1 with infinity pool, ground floor and penthouses (Neptune)

Villa types:

- Villas 5+2 (Saturn)
- Villas 6+2 (Jupiter)

The complex is an ideal place to stay in the pearl of the crystal clear Mediterranean Sea with indescribable views of sunsets and sunrises, combined with clean mountain air. Spacious layouts, modern architecture, large swimming pools, chic landscape design intertwined with incredible landscapes, an exclusive and liquid offer on the Northern Cyprus real estate market.
