Description

Welcome to Kargicak, an amazing city in southwestern Turkey.

Here, among picturesque views of the sea and mountains, you will find the ideal combination of affordable prices and a favorable business environment.

The city of Kargicak combines its picturesque nature and hospitable people. Here you can not only invest in commercial real estate, but also enjoy a lifestyle that includes both work and leisure.

Commercial real estate promises you not only a profitable investment, but also the opportunity to see your business thrive in this unique location.

When you choose commercial property in Kargicak, it is important to pay attention to the details.

When purchasing commercial premises, pay attention to the infrastructure, compactness of stores and amenities that provide circulation, as well as the provision of convenient parking spaces.

Now there are only 4 commercial premises left for sale.

Stores ranging from 53.3 m² to 281.3 m².

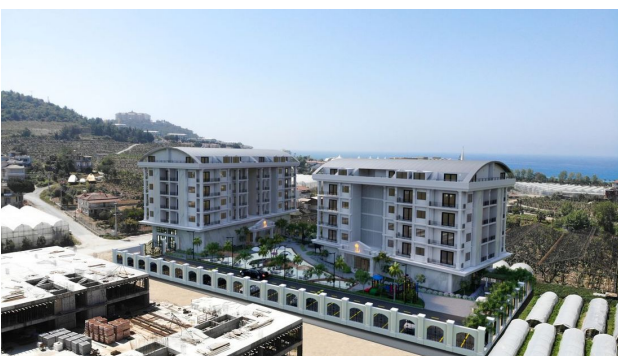

They are located in a modern five-story residential complex, located in an ecologically clean and fast-growing area of Alanya - Kargicak, just 400 meters from the seashore.

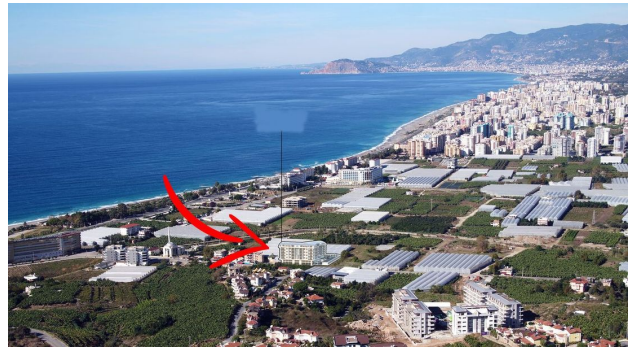

This residential complex has a spacious closed area of 5100 m2, on which you will find all the necessary infrastructure: an outdoor summer swimming pool, a children's playground, open parking and green spaces.

Don't miss your chance to purchase commercial property in Kargicak and become part of this wonderful community. We do our best to make your business dream a reality.

FLAT	FLAT TYPE	BRUT - NET	PRICE
30	-	101,20 m ²	540,000€
31	-	53,30 m ²	300,000€
32	-	109,20 m ²	580,000€
34	Entresol	281,30 m ²	1,200,000€

A 3D architectural rendering of the apartment building, showing two blocks labeled 'A' and 'B'. Block A is a taller, more modern-looking building with a curved top, while Block B is a shorter, more traditional-looking building. The rendering shows the building's facade, balconies, and surrounding landscaping. Small yellow circles with numbers 30, 31, 32, and 34 are placed on the ground in front of the building, corresponding to the flat numbers in the table above.
