Here in this new residential development, each apartment is built with the best possible orientation so that sunlight streams into your spacious rooms throughout the day.

Attractive white kitchen with marble tiles and no appliances.

The open dining room, connected to the private balcony through a large window, gives you a cozy place to enjoy breakfast and dinner in the sun.

This is a place where every day begins with a view of the city skyline.

This new development, completed in 2023, is an ideal place to live in harmony with the sea and nature, while being close to all amenities and entertainment.

Take advantage of this unique accommodation and enjoy the scent of the sea wind that is always with you.
