Description

Luxury residential complex in Antalya.

The residential complex is being built in the Altyntash area, 6 km from the city's international airport and 8 km from Lara Beach with access to the Aegean Sea.

The building will have 12 floors and 239 apartments with 1 and 2 rooms.

Area 42-92 m².

All layout options include balconies, heated floors, and air conditioning. Turnkey finishing.

The design of the crescent is fascinating, and the presence of unique ideas embodied in this complex will surprise the most sophisticated client. Only here you can distract yourself by

reading books in your own library, watch the constellations of stars in the observatory, or stroll through the botanical garden and enjoy the beauty of exotic plants.

The project is being built on an area of 15,000 m². When designing the project, we took into account every detail to improve your comfort and happy life.

Complex infrastructure:

- Underground parking (90% occupancy)
- Covered parking
- Olympic size swimming pool 1070 m²
- Children's swimming pool
- Basketball court
- Tennis court
- Children playground
- Botanical garden with its own lake and recreation area
- Indoor heated pool
- A fitness center
- Spa area
- Library
- Observatory
- Bakery
- Restaurant
- Lobby - reception
- Security
- Video surveillance 24/7

The price includes full finishing, built-in kitchen furniture with a set of household appliances and fully equipped bathrooms.

Price:

- 1+1 from 228,000 €
- 2+1 from 407,000 €

Payment terms: 50% down payment, 50% monthly or quarterly installments until the completion of construction.

The complex is scheduled for delivery in the fourth quarter of 2024.
