Description

The offered land plot is located in Turkler area, Alanya.

This site provides the opportunity to build a hotel with 90 rooms.

It has the following characteristics:

- Plot area: 3,343 m².
- Located on the first coastline, which provides direct access to the sea.
- The site is located just 50 meters from the seashore, which makes it attractive for the tourism business.
- It is possible to dig a tunnel under the road to a private beach for hotel guests.

The site also has a preliminary business plan for the development, which can be provided upon request.

The price of this plot is 2,300,000 €.

This is an excellent offer for the development of an investment project in the tourism sector, and additional details can be clarified with the seller.
