Description

A plot of land is offered in the Mezitli area, Mersin, ideal for the development of a residential complex.

This plot is located on the first coastline, just 300 meters from the sea, making it an excellent start to the construction of residential property with stunning sea views.

Main characteristics of the site:

- Plot area: 4,239 m².
- solutions for the construction of a residential complex with 161 apartments.
- The plot is flat, which will facilitate the construction process.
- There is a preliminary business plan for the development, please check with the seller for details.

The price of this plot of land is 3,900,000 €.

This is a unique opportunity for developers who are looking for land on the first coastline with the potential to create a residential complex.
