Description

A plot of land is offered, located in the picturesque area of Mezitli, Mersin, and is ideal for the construction of a residential complex.

This site is located on the first coastline and offers excellent opportunities for developers.

Main characteristics of the site:

- The area of the plot is 4,469 m².
- The plot is intended for the construction of a residential complex that can accommodate 170 apartments.
- The plot is flat.
- The distance to the sea is only 234 meters, which provides potential residents with amazing sea views and easy access to the beach.

The seller provides a preliminary business plan for the development, which will allow you to explore the potential of this project in more detail.

The price of this plot of land is 4,600,000 €.

This is an excellent opportunity for investors who are looking for an attractive waterfront development site with great potential.
