Description

New complex in Torrevieja, consisting of 136 houses, thought out to the smallest detail.

This is a unique residential complex with incredible common areas: 3 large swimming pools with gardens, jacuzzi, paddle tennis court, mini golf, fitness center with biomechanical exercise equipment, playground with games, electric vehicle charging points.

The houses, measuring over 131 m², consist of a spacious living room with an open kitchen, 2 large bedrooms and 2 bathrooms.

You can choose a ground floor bungalow with 2 large private terraces to enjoy the Costa Blanca climate. Or a ground floor bungalow of 178 m² with solarium and panoramic views of Laguna Rosa and the Mediterranean Sea.

The residential complex is located in a privileged area of Torrevieja, a stone's throw from the Laguna Rosa Natural Park, one of the most privileged and protected areas of the Costa Blanca.

Close to La Zenia Boulevard, an open air commercial area with all kinds of shops and restaurants where you can have fun with family and friends.

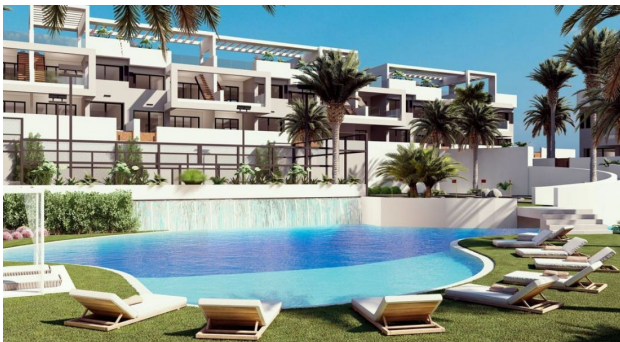

The area also offers an unrivaled climate with 320 days of sunshine a year and fantastic beaches known throughout Spain such as; Los Naufragos, Cabo Roig or Aguamarina.
