- ✓ Generator

Description

In September, the implementation of another project from a luxury housing developer in the Kargicak region began.

By purchasing real estate at the initial stage, you, as an investor, guarantee yourself a 30-40% profit upon completion of construction and constant passive income from an apartment near one of the best beaches in the Mediterranean.

This complex is located on an area of 6645 m² and consists of three 6-storey blocks, forming a cozy space for infrastructure.

The new building will have a total of 112 apartments.

LAYOUTS:

- 1+1 area 57m² (1 balcony, 1 bathroom)
- 2+1 area 72 m² (1 balcony, 2 bathrooms)
- 2+1 duplex area 119 m² (2 balconies, 2 bathrooms)
- 4+1 duplex area 191 m² (2 balconies, 2 bathrooms)

The apartments will be rented with high-quality finishing, lighting, cabinet kitchen furniture, bathrooms equipped with plumbing fixtures and cabinets, as well as wardrobes and dressing rooms in 4+1 Duplexes.

The project has the infrastructure of a five-star hotel. In the center there is an outdoor swimming pool with a water park and a jacuzzi, a children's pool, a fountain, a children's playground, a barbecue area, and a tennis court.

Inside blocks B and C there will be internal infrastructure - an indoor heated swimming pool, sauna, hammam, fitness room, children's club, mini cinema, massage rooms, table tennis, billiards.

On the lower floor of block A there will be fashion boutiques.

The complex takes into account the needs of people with disabilities.

The developer provides **interest-free installments** for the construction period with a down payment of 30%.
