Description

A new large-scale resort complex located on the seashore in Morphou Bay in the Gaziveren region of Northern Cyprus.

The complex is located 600 meters from a beautiful sandy beach, to which a comfortable bus will take you, also a short walk from the center of Gaziveren and close to the town of Lefke.

Gaziveren is a picturesque town in the northern part of the island, where all urban infrastructure is at your service, and there are many shops, cafes and restaurants.

- Total construction area: 20,000 m²
- Number of blocks: 3
- Number of apartments: 724

Even before the construction of the facility begins, a full analysis of the location is carried out, taking into account the characteristics of the land plots, finishing materials are carefully selected based on the latest technological solutions, in order to create a high-quality, comfortable and safe space for the life of our valued clients.

It should also be noted that near our project there are the cities of Girne and Nicosia, a new promising area with approved government programs for the construction of roads and an embankment.

Also an Israeli medical center with a full range of services from routine specialist examinations to invasive interventions, cardiology, pediatric departments, chemotherapy department and a plastic surgery clinic with the latest advances in laser technology and telemedicine.

The complex is premium, the project includes 3 buildings (A, B, C) of different heights in a modern style.

Provides apartments **2+1, 1+1, 1+0** with various layouts and areas, with spacious terraces.

The complex has an impressive recreation area with large swimming pools, a beautiful garden, spacious sun areas with sun loungers, as well as a restaurant and a cozy bar, a fitness center and a SPA center.
