Description

The complex is located in Esentepe.

The advantage of this complex is that it is an exclusive and luxurious place to live and rent, combining many attractive features.

The complex is a true embodiment of sophistication and luxury on the shores of Northern Cyprus.

The project will have two stages of development, with a total of 12 residential blocks and 86 apartments; two stages of construction will be put up for sale simultaneously.

Each apartment in this residential complex will have its own parking space. An important feature of the facility will be 24-hour security and video surveillance, cleaning service, restaurant service with a cook and waiters, and technical support service.

The developer will be the management company for 10 years.
