Description

The project embodies elegance and style in every detail, emphasizing attention to quality and design. Developed by a renowned developer, the project offers not only elegant apartments, but also special conditions for investors.

This residence is your new home where luxury meets tradition in refined harmony.

Description of the object

In the complex: two buildings, each consisting of seven floors.

The total area of the apartments varies from 108 to 310 sq.m., including 73 apartments with 2 and 3 bedrooms, as well as 2 penthouses. There are 145 parking spaces available for cars and motorcycles.

The apartment features an exceptional combination of elegance and functionality. Each unit is distinguished by spacious rooms, in which a chord of sophisticated design resonates.

Interiors created with attention to detail invite you to an oasis of style and comfort. In these apartments, the harmony of space is emphasized by the high quality of the materials used. Natural shades and textures create an atmosphere of warmth and comfort, while upholstered

furniture and stylish accents add sophistication. Every detail, from fittings to lighting, emphasizes attention to quality and the desire to create not just housing, but a unique space. These apartments are an art of living, where design becomes an integral part of your daily life and materials are a harmonious union of elegance and durability.

Feature: This luxury project is located next to the Laguna resort and offers a variety of infrastructure.

It stands out for its privileged location on Bang Tao Beach, where there are restaurants, cafes, shops, SPA, golf and a clinic within walking distance. Close to luxury residential developments and just 700 meters from the beach, this project is located minutes from the best golf course in Thailand according to the World Golf Awards.

Developed by a renowned premium real estate developer in Bangkok and Pattaya, this boutique project with a limited number of apartments in two buildings offers spacious apartments in a variety of layouts, with ceiling heights of 3 meters.

Investors can take advantage of special conditions, including minimum prices before the official start of sales, interest-free installment payments until completion of construction and registration of full ownership.
