Description

The residential complex is located in Yeni Iskele (Trikomo), Famagusta.

The complex is built next to the famous sandy beach of Long Beach, known as one of the most beautiful beaches in Cyprus.

The ideal Mediterranean climate, where sunny summers and mild winters create the best conditions for a comfortable life.

A modern high-rise complex surrounded by flowering gardens and trees, located 600 meters from a picturesque sandy beach, is ideal for both holidays and permanent residence.

The landscape design includes 17,000 m² of manicured lawns with flower beds and green alleys, which will provide residents and guests of the complex with comfort on a hot afternoon.

The complex consists of 15 buildings.

When it comes to real estate, location is the most important factor!
