Description

A unique new project located on the east coast of the island in the Karsiyaka region of Northern Cyprus.

It is located within walking distance of crystal clear waters and refreshing Mediterranean breezes, so all apartments have stunning sea and mountain views.

This project offers a good investment opportunity due to its ideal location close to sandy beaches and all social infrastructure within a short distance.

In addition to the breathtaking views, residents will be able to enjoy all the services and amenities provided in the complex, including a spa complex, a restaurant with sea views, a marina and beach club, cafes and bars near the pools and much more.

The complex includes 5 residential buildings and 36 apartments.

The project offers **studio penthouses, 1+1 garden loft apartments and 2+1 penthouses.**

All penthouses have a spacious roof terrace where you can barbecue and enjoy the endless nature of the island. Cheap apartments with private beach and marina in Karsiyaka, Northern Cyprus.

Distance to sea: 400 m

Structural guarantee: 5 years from completion of construction.
