Description

The project not only provides a high return on investment, but also maintains a high level of choice of living space: 1, 2 and 3 bedroom apartments will be available in this project.

The complex is located in close proximity to the azure sea and all the necessary infrastructure necessary for a comfortable lifestyle.

From local amenities to a variety of shops, supermarkets, restaurants and bars, everything is conveniently located within walking distance, catering for every taste and preference.

Due to its favorable location and high demand for luxury real estate, the complex represents an attractive investment opportunity for those seeking maximum profit.

The project is located in the very center of the largest city on the coast of Northern Cyprus - Girne. The proximity to the sea and all the infrastructure necessary for life make this property an ideal choice for permanent residence or rental.
