Description

A modern residential complex that embodies convenience and style in every detail.

Consisting of two blocks, each offering 30 2+1 apartments, this complex is designed to provide a comfortable and modern lifestyle to its residents.

Key Features:

- Each block is equipped with elevators, providing convenient access to all floors. The apartments are designed to meet modern standards of comfort, and the open roof terrace invites residents to enjoy fresh air and panoramic views of the sea and nature.
- Each apartment is equipped with a video intercom, providing an additional level of security and access control.
- Built-in closets provide convenient and organized storage space, while hardwood floors add coziness and style to the interior.
- Located close to the beach, the complex provides a unique opportunity to enjoy sea views and proximity to the coast. At the same time, it is located in the city center, providing easy access to historical sites and all the amenities the city has to offer.

This is not just a residential complex, it is a stylish and comfortable home where modern amenities meet beautiful views and a unique location.
