Description

We present to you a unique opportunity to acquire real estate in one of the most attractive areas of Varna - the Breeze quarter.

This three-room apartment with stunning sea views is located in a new building, surrounded by the green alleys of the Primorsky Park.

The inspiring landscape, convenient location and high standard of construction make this property the ideal choice for your future home.

This house is located in the Breeze quarter, which is famous for its sophisticated lifestyle and beautiful nature.

Near the house there is a public transport stop, shops, a kindergarten and a school, which makes this area convenient and functional for the whole family.

Description of the apartment:

The apartment is located **on the second floor** and offers magnificent panoramic views.

It consists of a living room with kitchen, two cozy bedrooms, a bathroom with toilet, an additional toilet, a loggia and a spacious corridor. The total area of the apartment is **99 sq.m.**, providing maximum space for your comfort.

The price of this luxury apartment is 163,600 €.

If necessary, you can additionally purchase a parking space for 30,000 €.

Construction of this home will begin in the spring of 2024 and will be completed in the **spring of 2026**, providing you with a high standard of quality and modern amenities.

This three-room apartment is not only housing, but also an investment in your future.

A rare combination of comfort, style and panoramic views make it the ideal choice for those looking for the perfect accommodation in Varna.

Don't miss the opportunity to become the owner of this unique piece of paradise by the sea!
