The house itself offers spacious and functional space.

The apartment consists of three large bedrooms with fitted wardrobes, two full bathrooms, one of which is en-suite, a fully equipped kitchen and a spacious living/dining area.

Separately, it is worth noting the terrace of 14 square meters, which is glazed with the Lumon system without profiles or folding, creating a cozy place to relax.

The house is oriented to the southeast, providing maximum light and comfort.

All rooms are equipped with roll-up mosquito nets and folding double glazed windows. The interior includes wooden floors and white lacquered joinery, giving the home a stylish and cozy feel.

Additional benefits include a large storage room and two independent parking spaces: one for a car and the other for a motorcycle.

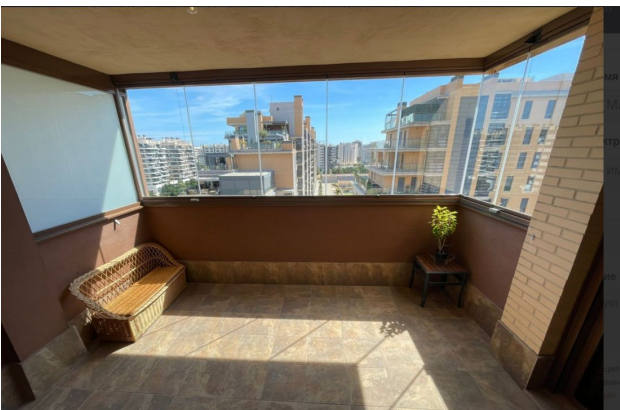

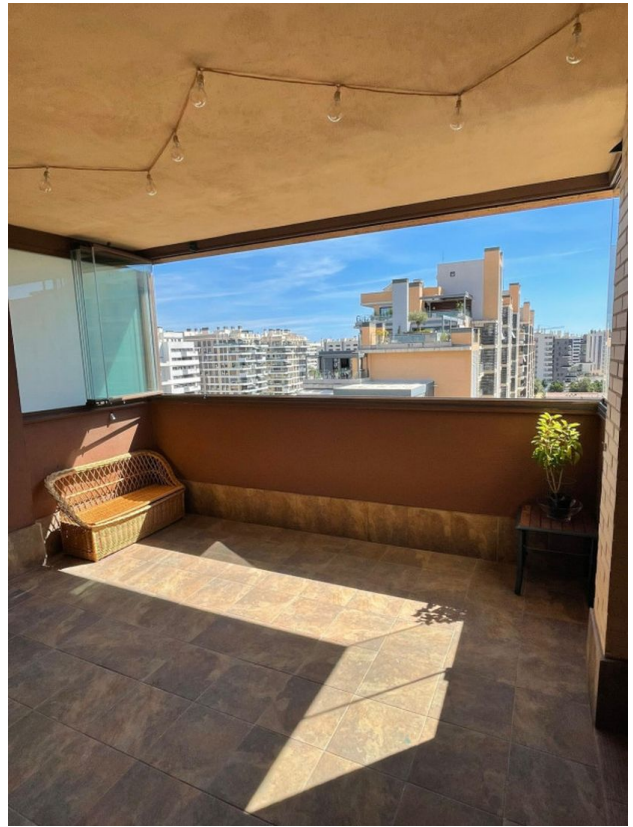

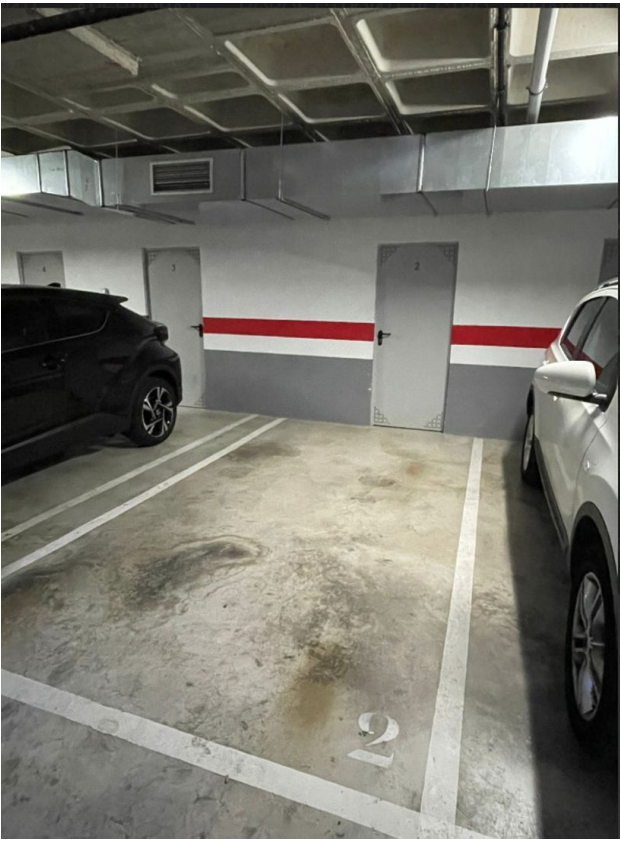

The house has amenities such as air conditioning and central heating, ensuring comfort in all seasons.

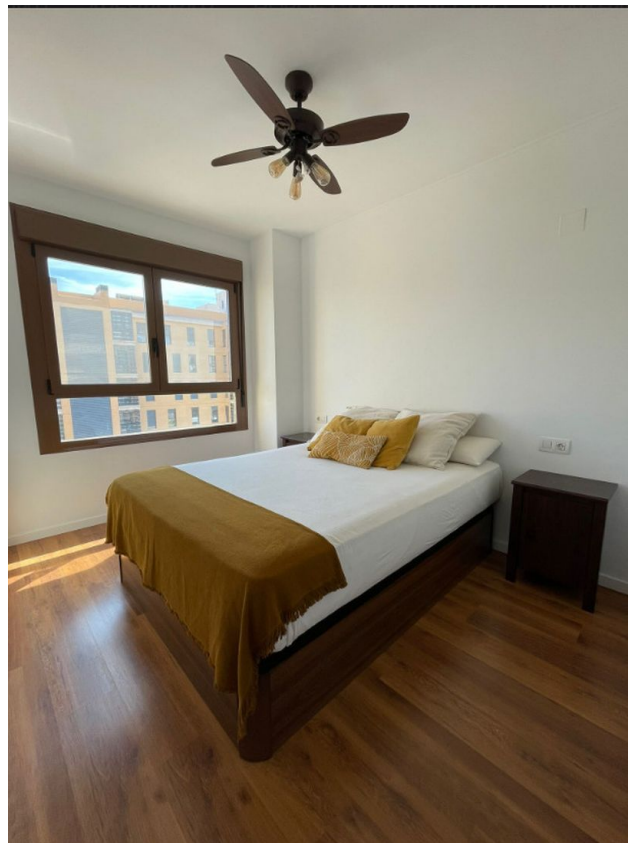

The area also has amazing infrastructure, being a few meters from San Juan Beach and the parks of Melgares, La Marjal, making it an attractive place to live in Alicante.
