Description

This complex consists of 1 and 2 bedroom apartments with sea and mountain views in the center of Kyrenia.

With beautiful architecture and quality finishes. The style was formed under the influence of the industrial concept of construction, which explains its adherence to the function:

- laconicism, strict lines, a small number of decorative elements;
- Light shades predominate in the color scheme;

- a large number of glass structures.

This style is ideal for connoisseurs of modern technology and people who prefer the maximum amount of free space and a minimum of details.

The basement and first floor of our stylish and modern building are reserved for parking.

Our building is within walking distance to all shopping centers, banks and a center that will make your life easier.

Apartments:

- 2+1 80 m²
- 1+1 65 m²

Facilities:

- Open plan living room and kitchen
- High-quality high-gloss kitchen cabinets
- Hanging wardrobes in bedrooms
- Ceramic floor
- Central satellite system
- Intercom system
- Fire system
- Central Internet System
- Aluminum PVC windows with double glazing
- Granite steps
- The edges of the balconies and thresholds are made of natural marble.
- Special details on balconies
- Fully equipped bathroom
- Interior doors from the American press

The project is completed.

The cost is 4,625,800 € of the entire complex for one investor.
