Description

We offer a unique apartment No. 1 in a 10-storey residential complex located in the modern Pazardzhi district of Gazipasa.

This apartment is located on the **1st floor**.

Apartment 1+1 area 60 m2.

The minimum price for the complex is 128,000 €.

The Gazipasa region is famous for its clean and beautiful beaches, pleasant climate and green areas.

This promising complex of unusual construction provides an opportunity to purchase housing in an area that attracts attention both for permanent residence and for recreation.

The sea is only 1200 meters away, which makes the location even more attractive.

Developed external infrastructure includes supermarkets, Turkish bazaar, shopping centers, banks, pharmacies, beauty salons, cafes and restaurants. The area also has kindergartens, schools, a hospital and clinics.

The internal infrastructure of the complex is extensive, including outdoor and indoor swimming pools, a water bar, landscaped area, barbecue area, hammam, sauna, fitness center, cinema, billiards, tennis court, outdoor sports grounds, outdoor and indoor parking. For children there is a playground and a games room.

A carefully thought-out developer has provided heated floors in each apartment and underground parking for maximum comfort and coziness of residents.

Construction of the complex began on December 1, 2022 and will end on August 30, 2024.

This apartment represents an excellent opportunity for living or investment in a promising and comfortable area of Gazipaşa.
