Description

The complex in Bali is the embodiment of a unique union of mysticism and modern architectural trends.

Symbolizing a mysterious and multidimensional entity, the complex appears transparent only to those with deep understanding. Its authenticity makes you think about roots and history, as if you are witnessing hidden knowledge yourself.

Spanning 2,000m² of land, there are four three-bedroom townhouses and eight two-bedroom townhouses, offering a variety of options to choose from.

Each townhouse is not only a place to live, but also an immersion into the world of the mysterious culture of Bali.

Available objects are presented in two versions:

- **Townhouse with 2 bedrooms** of 100 m², price - 210,000 \$.
- **Townhouse with 3 bedrooms** of 125 m², price - 280,000 \$.

For the convenience of clients, installments are provided: first installment - 30%, second installment - 30%, third installment - 30%, the remaining 10% - upon completion of the transaction.

The form of land ownership is Leasehold for 25 years with the possibility of extension, registered in the pink zone. This provides stability and confidence in future investments.

Construction completion date: 4th quarter 2024

This is not just a residential complex, it is an immersion in the atmosphere of the amazing and mysterious Bali, where the past intertwines with the present, and the mysterious becomes accessible.
