Description

A modern complex of 6 townhouses in Bali, in the Canggu area, invites you to an oasis of luxury and tranquility, surrounded by exotic plants.

Each home in the development has its own unique character, offering a sophisticated combination of functionality and style, reflecting the unique Bali lifestyle.

The architecture of the complex is dominated by lightness and harmony, emphasized by transparent fences and panoramic windows offering magnificent views of the rice terraces.

Each house has **two spacious bedrooms with a bathroom**, as well as a study, kitchen and living room, where all furniture and household appliances are already included in the price.

The contemporary style kitchen is equipped with high quality appliances and offers a variety of cooking and dining amenities.

Spacious cabinets and innovative storage solutions make your kitchen experience even more comfortable.

Within the complex you will find a communal pool and lounge area where you can relax and enjoy nature. Parking and a closed area provide safety and comfort for residents.

Installment plans are available according to the following schedule: first installment - 50%, second installment - 40%, remaining 10% - upon completion of the transaction.

Construction and installation work has already been completed, and finishing and furnishing are currently underway.

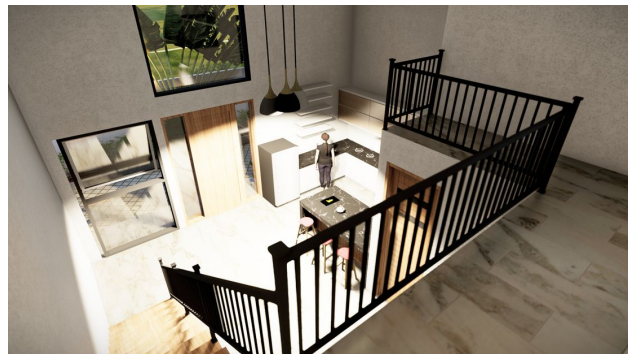

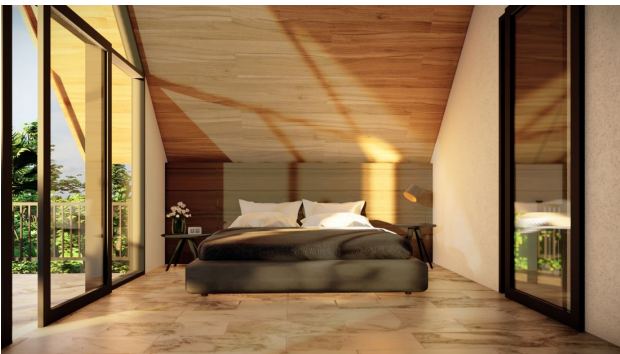

The planned completion date of the facility is the first quarter of 2024.

The form of land ownership is Leasehold for 29 years, registered in the yellow zone, with the possibility of extension.
