Description

We present to your attention unique apartments in the project - a residential complex with the most diverse infrastructure in Bali in the Ubud area.

The apartment is a spacious and cozy space, designed to meet all the needs of a modern family.

Apartment types:

Apartment 29 m2

- 2nd floor
- ceiling height 4 m
- separate entrance

Apartment 36 m2

- 1st floor
- ceiling height 4 m

- separate entrance

Living in the complex gives you access to a huge range of amenities.

For children there is a kindergarten, creative studios and playgrounds, and for parents there are restaurants, a coffee shop, a gym, a spa and a co-working space. An Olympic swimming pool and sports fields are available for the whole family.

Particular attention is paid to the safety of residents of the complex. The territory is completely closed from the roadway and unauthorized persons, which creates an atmosphere of comfort and safety.

Investing in these apartments also promises high returns.

The management company takes care of all issues related to renting out the apartment, and you receive net profit to your account every three months.

Payment scheme:

- 50% down payment upon signing the contract
- 20% after the construction of the apartment structure
- 20% after finishing is completed
- 10% upon receipt of keys

Apartments are not just a place to live, they are a point of attraction for the most successful and interesting people from all over the world.

Located in the picturesque area of Ubud, the complex is surrounded by rivers, rice plantations and jungle, which creates a unique atmosphere of harmony with nature.

Don't miss your chance to live in this unique complex, where every day will be filled with bright impressions and new opportunities!

Construction completion date: 2nd quarter 2024
