Description

This luxury apartment in Mersin, located in the Arpacbakhshish area, offers the perfect combination of luxury, comfort and convenience for its residents.

With an area of 54 m2 and a 1+1 format, this apartment is ideal for a modern lifestyle.

Apartment on the 2nd floor.

The tapu (ownership) of the apartment has already been obtained, providing the owner with peace of mind and security.

In addition, residents can enjoy an excellent location just **300 meters from the sea**, making it an attractive destination for beach lovers.

One of the main advantages of this apartment is access to luxurious **infrastructure**, including a swimming pool that extends the entire length of the complex and is equipped with islands and bridges, as well as a pool bar, saunas, hammams, a fitness room overlooking the garden

and pool, children's playgrounds, sports grounds, gazebos with a barbecue area, a lounge area with a live fire and much more.

This apartment is also provided with all the necessary amenities including an outdoor children's playground, outdoor swimming pool, 24/7 security system.

The surrounding infrastructure is also impressive, with a supermarket, promenade, public transport stop, pharmacy, restaurants and other facilities close by.

This apartment represents an ideal option for those looking for upscale accommodation in Mersin, providing a luxurious and comfortable lifestyle.
