Description

Welcome to the unique world of villas on the beautiful island of Bali, where luxury, comfort and the splendor of nature merge into a single whole.

The villas are the perfect combination of exquisite design, the conveniences of modern living and the magic of the Balinese atmosphere.

Each of these villas is an oasis of peace and comfort where you can enjoy scenic views and privacy surrounded by tropical greenery.

Spacious terraces with panoramic views of lush gardens and azure ocean waters invite you to spend unforgettable moments of relaxation under the warm Balinese sun.

Description of the villas:

- **2 bedrooms**
- **2 bathrooms**

- **floor 1**
- **villa area 77 m2**
- **plot area 100 m2**

Construction will be completed in June 2024.

Current stage of construction (percentage): 65%.

Land ownership: lease for 20 years.

Cost from 105 000 €.

Ground zone: yellow.

There are only two villas left in this unique Balinese corner that will become your own private island paradise.

The architectural style of the villas is inspired by the richness of Balinese culture and traditions.

Exquisite wood and stone accents, local embellishments and unique details create an atmosphere of authentic Balinese luxury.

Inside each villa you will find spacious and cozy bedrooms with comfortable beds and exquisite interior design.

Bright and spacious bathrooms with modern finishes and premium fixtures invite you to enjoy hours of relaxation and pampering.

Imagine romantic dinners on the terrace, immersed in the atmosphere of the evening moon, or evenings with friends by the pool, surrounded by fireworks stars.

So, discover the magic of Balinese paradise in a villa complex where luxury and comfort merge to create a unique atmosphere of pleasure and inspiration.
