Description

This is a unique opportunity to become the owner of an apartment in a prestigious residential complex - a place where luxury meets comfort and convenience.

Description of the apartment:

- **Studio**
- **area 40 m2 with living area (combined with kitchen)**
- on the ground floor
- balcony

It is sold **fully furnished and with all necessary household appliances installed**, so you don't have to spend additional time and money on arrangement.

Perfect for living, renting and investment!

Anyone who dreams of purchasing a home here receives not only status accommodation, but also a valuable gift from nature - the unique healing mountain-sea air that makes the resort of St. Vlas so attractive for rest and relaxation.

One of the lasting advantages of this apartment is the stunning view from the windows of the mountains, the bay of Sunny Beach and the breathtaking city-museum of Nessebar.

Living here allows you to enjoy not only the comfort of modern housing, but also the beauty of nature surrounding the complex.

The complex is conveniently located between the popular resorts of Elenite and Sveti Vlas, **just 400 meters from the seashore.**

This means that residents can easily reach the beach and enjoy boat trips at any time.

Buying an apartment is not only an investment in real estate, but also in the quality of life.

Don't miss the opportunity to become part of this unique community and enjoy all the benefits of living on the Black Sea coast.

Contact us now to find out more about the available apartment options in this beautiful complex!
