Description

Welcome to the future of investing!

The business condominium project in Piraeus is an outstanding modern 9-storey building, meeting the highest standards of quality and design.

This project combines modern trends and minimalist interior style, creating a unique space for a comfortable life and successful business.

The location of the complex provides convenient access to everything you or your business may need. The proximity to the metro station, shops and schools makes it an ideal place to live and work.

Investments in real estate are one of the most reliable and profitable ways to preserve capital.

The benefits of such investments include stable property price growth and guaranteed income for 10 years.

In addition to favorable investment indicators, the project offers fully managed investments, where you receive a complete turnkey solution, including property management.

The complex offers luxury condominiums of varying sizes, as well as shops and luxury maisonettes for a varied choice.

Amenities include modern lighting technology, inverter air conditioning, aluminum frames with high levels of thermal and sound insulation, a new elevator with an unlocking system and much more.

Make your choice to invest in the future with business condominiums in this prestigious project in Piraeus!
