Description

The complex, located in the Iskele region, is a modern project that ideally combines the convenience of city life and the comfort of country living.

Just 1.5 km from the beach, it offers excellent opportunities for rest and relaxation surrounded by nature and modern amenities.

Consisting of 5 blocks and 850 apartments, the complex offers a variety of housing options, including one, two and penthouse apartments.

All apartments are decorated using high quality building materials and equipped with modern amenities.

Apartment types:

- Studio
- 1+1

- 2+1

Project features include:

- outdoor and indoor swimming pools
- gym
- Turkish bath
- restaurants
- bars
- massage room
- sauna
- market and much more

For the comfort and pleasure of residents and guests, there are also children's playgrounds and green recreation areas.

Payment plans are designed with the convenience of customers in mind, offering flexible payment plans without interest over a specified period of time.

Payment plan:

- 40% – down payment
- 20% – before receiving the keys
- 40% – for 84 months without interest

The start of construction is scheduled for June 2023, the delivery date of the first blocks (A&B) **is June 2026.**

The complex is not just housing, it is a way of life, where everyone will find the ideal combination of coziness, comfort and modern amenities.
