Description

A unique villa resort set on a spacious 8-hectare site that perfectly combines luxury, comfort and the magnificent natural beauty of Lombok.

The complex has 48 villas.

Situated between a picturesque beach and panoramic hilltops, the villa complex offers guests and investors a unique experience, merging with the natural surroundings and offering luxurious amenities.

With these villas, you not only buy real estate, but also become part of an exclusive community that offers world-class service and amenities.

This first project of its kind in Lombok provides investors with the opportunity to diversify their portfolio through a passive investment project, providing high returns and vital benefits for the whole family.

With a focus on ecotourism and respect for nature, the complex offers **a wide range of activities for guests, including a world-class spa, yoga center, stables, pottery studio and natural river pools.**

This resort offers not only luxurious accommodation and relaxation, but also high ROI thanks to the rapid growth of tourism in Lombok and a unique concept that combines luxury with nature.
