Description

A new residential complex that embodies modern standards of comfortable and quality life on the island of Cyprus in the picturesque **city of Lefke, in the Gaziveren district.**

Our goal is not only to offer clients unique housing, but also to contribute to the development of the city and its surroundings.

The residential complex covers a total area of 8,600 m² and consists of four blocks, offering a total of 336 apartments.

Apartment layouts are varied:

- 76 apartments **1+0** (one-room studios) area 42-45 m²
- 176 apartments **1+1** (one-room with a separate bedroom) area 61-69 m²
- 80 apartments **2+1** (two-room with separate bedrooms) area 101-109 m²
- 4 apartments **3+1** (three-room apartments with separate bedrooms) area 383-571.5 m²

Each apartment is designed taking into account modern requirements for convenience and functionality, providing residents with comfort and freedom of choice. In addition to the apartments themselves, residents can enjoy the community's public spaces and amenities designed to enhance quality of life and overall well-being.

Residential complex infrastructure:
