Description

The residential community is a lifestyle lifestyle inspired by the world's finest hotel chains and designed to offer its residents wellness, relaxation and tranquility amid breathtaking **panoramic ocean views in Uluwatu.**

The complex has 42 apartments, representing a three-story premium complex.

Every corner has been carefully considered to create a unique combination of infrastructure solutions that provide maximum comfort and satisfaction to the needs of our residents.

Apartments in the basement:

- **1+1 54 - 59 m2 from \$180,000**

In the complex you will find a variety of amenities and unique opportunities to maintain health and well-being:

- **Hammam and sauna** for relaxation and cleansing of the body
- **Salt room** to improve breathing and general condition
- **Spa** with a variety of treatments and services to pamper your body and soul
- **Swimming pool** for refreshing swims and relaxation
- **Cold and hot baths** for healing and toning the skin
- **Library and tea room** for privacy and intimate conversations
- **Yoga studio** for practice and development of flexibility and calmness
- **Massage rooms** to relax muscles and improve blood circulation
- **Gym to keep fit** and healthy
- **Large restaurant** with a varied menu and high level of service

The investment attractiveness of the complex is confirmed **by payback statistics of 4-6 years and a high ROI of 18.9%.**

The leasehold is granted for a period of 32 years, renewable for 30 years and a further 20 years. This ensures long-term stability and security of home ownership in the complex.

Payment plan:

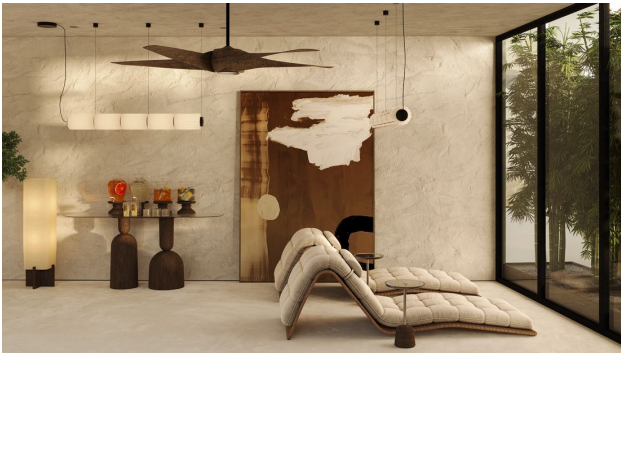

- 25% down payment
- installments are discussed individually

Construction completion date: 03.2024-05.2026
