The delivery of this luxurious complex is scheduled for 2026.

Every detail of these apartments is imbued with an atmosphere of elegance and modernity. The doors are made of high quality material and the external joinery is made of PVC or aluminum profiles, ensuring reliability and resistance to environmental influences.

Fully equipped kitchens will be the heart of your home. They feature wall cabinets and large-capacity cabinets so you don't have to worry about running out of storage space.

In addition, there is a charger for an electric vehicle, which makes this property even more modern and convenient.

Not only will you enjoy luxurious accommodation, but also magnificent public areas.

An **infinity pool** with an infinity edge and swim lane, a solarium area with raised platforms, an InfanAl swimming pool with a hydromassage area, multi-level meadows with playgrounds, recreation and landscaping areas, as well as a mini golf course - all this is available to you on the territory of the complex.

The mezzanine level offers even more amenities and entertainment.

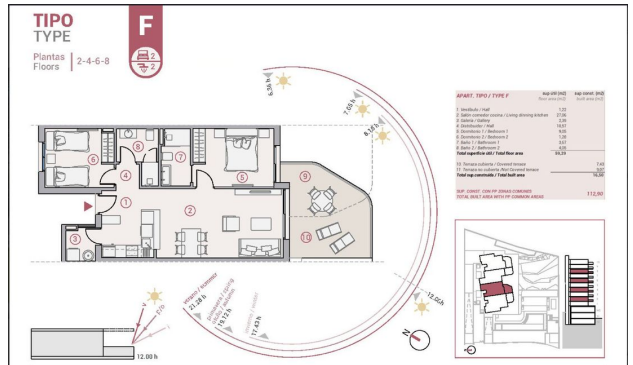

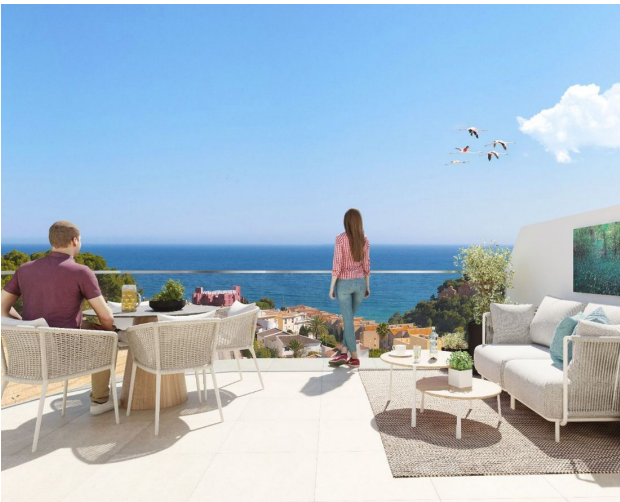

A panoramic gym with terrace and sauna, children's playground with billiards and darts, co-working space and a gourmet corner with a fully equipped kitchen for meetings and events - all this creates the ideal atmosphere for a comfortable and varied lifestyle.

By choosing these apartments, you will expect excellent performance, a high level of comfort and many opportunities for active and relaxing pastime.
