Here, in a closed and fenced area, you will find everything you need for a comfortable life and recreation.

Swim or sunbathe? The choice is yours! You have the opportunity to enjoy both **indoor and outdoor swimming pools**, and relax **in the hammam or sauna** after a busy day.

If you prefer an active lifestyle, then the **basketball court**, table tennis and table football are always at your service.

For the little residents of the complex there is also a play area where they can spend time with pleasure and safely.

And for those who love reading, there is a **library** with a varied selection of literature.

Apartments come fully finished and have fully equipped bathrooms. Thanks to the management company from the developer, you will always have support and assistance in managing your home.

One of the main advantages of this complex is its proximity to the cleanest beach and the main street of the city, where restaurants and other entertainment are located.

And thanks to the presence of an indoor pool and spa, the apartments are always in demand for rent, providing you with an additional source of income.

Completion is scheduled for December 2024, so you'll soon be able to make your nautical dreams come true!
