Description

The developer's first project outside Canggu, which has already attracted significant investor attention: 53% of units have been booked at the start of implementation.

This indicates a high level of trust in the company and its projects.

The company plans to expand the geography of construction and implement new projects in other attractive locations on the island.

The complex includes 21 apartments with a total area of 700.56 m² and is located just three minutes from the ocean.

Residents will be offered apartments equipped with the innovative Smart Home system.

Description of the apartments:

- Studio
- area 33.36 m²

Infrastructure:

The complex provides:

- Two swimming pools
- Rooftop bar with stunning views of sunrises and sunsets
- Parking
- Children's zone
- Sports area

For the convenience and safety of residents, there will be a reception, security service and a video surveillance system.

Location:

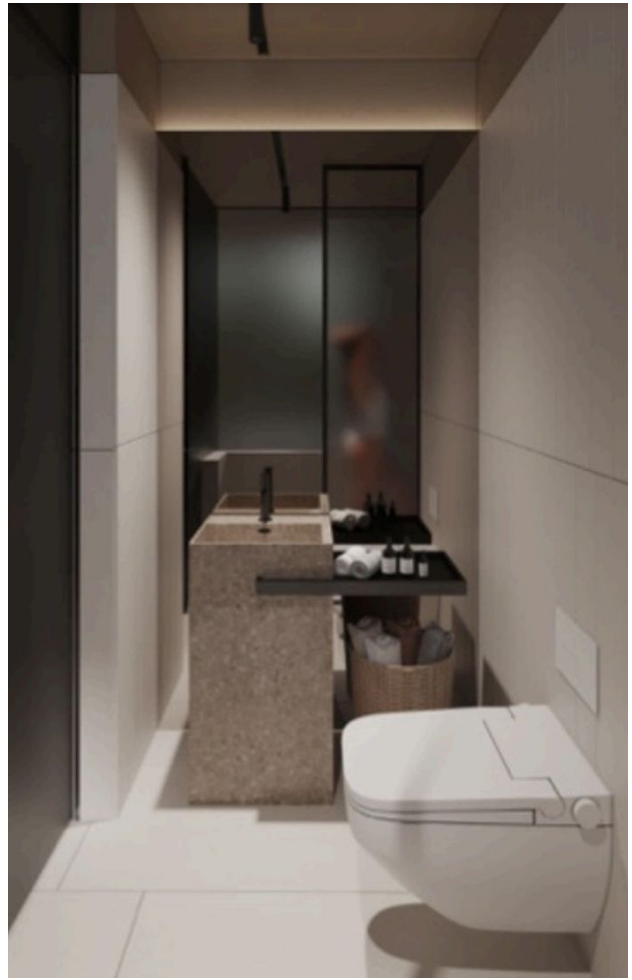

The apartments are located in Uluwatu, one of the most popular tourist resorts in southern Bali, especially loved by surfers.

Completion of construction work is planned in the second half of 2026.
