Description

A premium residential complex with access control is located in a picturesque location with an incredible sea panorama, spanning views to Cape Kaliakra.

The concept of the complex is aimed at creating conditions that provide comfort, safety and satisfaction of all the needs of households, while maintaining greenery and tranquility, away from the bustle of the city.

The complex offers a variety of amenities for a comfortable life:

- Park area with an area of 6000 sq.m. with the possibility of walking and cycling
- Street fitness and playground
- Indoor pool and children's pool
- Relaxation area and places for bicycles and strollers with access control
- Surface parking spaces and underground parking
- Intelligent systems for complex access control and video surveillance

The complex features **two-, three- and four-room apartments** with spacious rooms and French windows.

Some apartments on the ground floor have their own courtyards, smoothly transitioning into the park.

Apartments are rented in a state of completeness of the BDS, including:

- Floor screed
- Plastering walls
- Plumbing fixtures with plugs
- Installed switches and sockets
- Low current wiring
- Air conditioning piping
- Entrance door

For an additional fee, turnkey finishing with materials of the customer's choice is offered. Design services, technical design preparation and copyright control are also available.

Suitable for permanent residence and year-round rental.

Location

- 300 m to Kabakum beach: 5 minutes walk along the green alley
- Kabakum Beach Lift: Walking distance
- 8 minutes by car to the center of Varna along the boulevard road
- 2 km to the sanatorium St. Konstantin and Elena: by car along the boulevard road
- 680 m to the Sunny Day resort
- 20 minutes to the international airport: along the boulevard road

This residential complex offers a unique combination of comfort, security and natural beauty, creating ideal conditions for living and recreation.
