Description

An ultra-modern complex in the center of traditional Ubud, covering an area of 3 hectares.

This is the largest infrastructure project in the center of Ubud, which will become a new tourism attraction, like the Eiffel Tower in Paris or Times Square in New York.

Project description:

- 36 townhouses (18 1st stage and 18 2nd stage)

The project combines high construction standards and the latest trends in architecture and design.

All structures are designed taking into account seismic activity up to 9 points, which ensures safety and comfort.

Location:

- Melasti Beach – 46 km
- Airport – 33 km
- Canggu – 26 km

The territory of the complex consists of two parts:

Commercial zone:

- Concert hall

- Cinema
- Shopping mall
- Food court
- Offices
- Parking
- Spa
- Gym
- Restaurants
- Children's areas

Townhouse:

- **Total area: 182 m²**
- Balcony: 1
- **Bedrooms: 2**
- Living room + Kitchen: 1
- Bathrooms/Toilets: 3
- Wardrobe: 2
- Terrace on the 1st floor: 12 m²

Financial conditions:

- Down payment: 30%
- The remaining 70% is an individual calculation

Leasehold: 30 years + 20 years

Completion of the object: 4th quarter of 2024.

A large-scale and mixed-use project in the center of Ubud, including residential premises, public areas, commercial areas and work spaces.

This is a real "city within a city", creating unique conditions for living, working and relaxing in the heart of Bali.
