About the area: Mahmutlar is a beautiful, well-groomed and well-maintained coastal town with a very developed social, trade and transport infrastructure. There are places to walk, many restaurants and cafes, shops and supermarkets. There are also banks, exchange offices, pharmacies, private and public medical institutions, schools and kindergartens.

Completion of construction: June 2024.

We will be happy to share with you more detailed information about the project and help you find the ideal apartment for living!

Information updated: 19.07.2024
