Description

A sophisticated apartment complex located just 200 meters from the picturesque seashore.

This project harmoniously combines luxury, comfort and modern design, creating an ideal atmosphere for living.

Apartment 1 + 1, area 55 m², 2nd floor.

Distance to the sea 200 meters.

The apartments are thought out to the smallest detail to provide maximum comfort and meet the highest demands. Your safety is guaranteed by a steel entrance door, and the exquisite interior emphasizes quality and style.

High-class infrastructure

The complex has all the necessary infrastructure for a good rest and maintaining a healthy lifestyle.

Here you will find:

- Outdoor swimming pool with a relaxation area and sun loungers
- Children's outdoor pool, specially equipped for the little ones
- Indoor heated pool for comfortable swimming at any time of the year
- Sauna and Roman steam room for relaxation
- Fitness room and Pilates and yoga room for sports
- Lobby, where you can meet guests or relax
- Green area, where you can enjoy nature and fresh air
- Outdoor parking for your car
- Fenced area with security, ensuring the safety of residents
- Elevator, providing convenient access to any floor

The project embodies the dream of impeccable housing by the sea, where every detail is thought out for your comfort and pleasure.

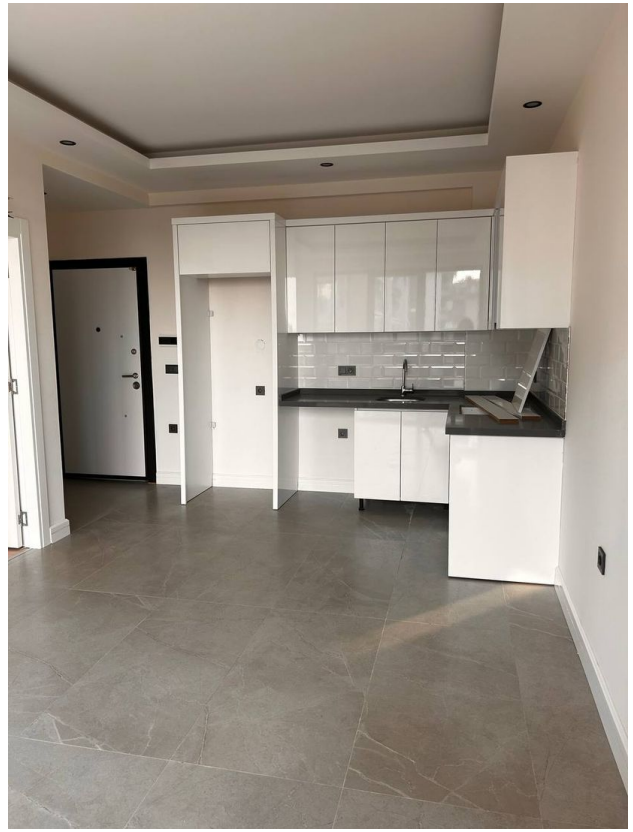

Welcome to a new level of life, where luxury and modernity merge into a single whole!

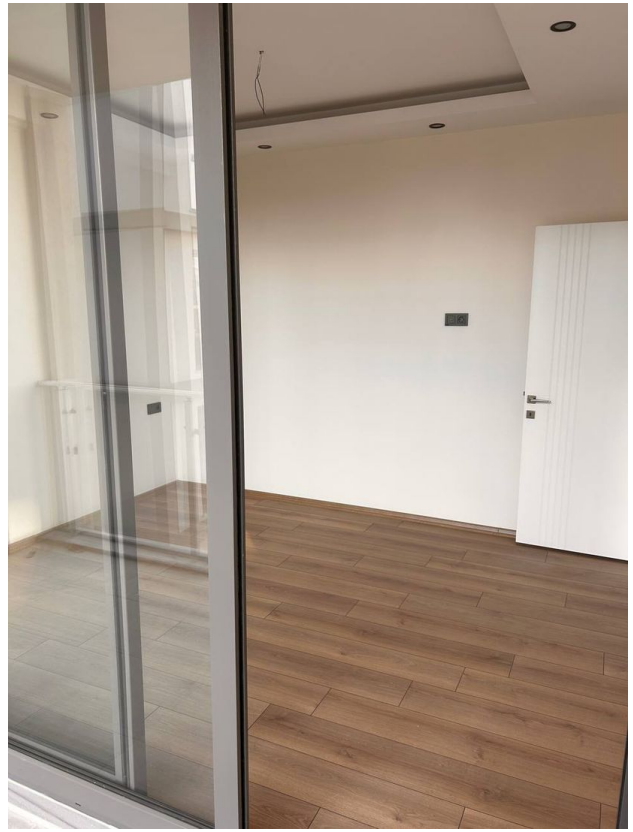

The complex is at the commissioning stage.
