## Description

**The complex in Iskele, Northern Cyprus**, is located next to the azure waters of the Mediterranean Sea and is a harmonious combination of classic Mediterranean architecture and Asian minimalism.

Here you will find a calm and cozy life in an atmosphere created by two-story houses, moving away from the usual multi-story structures.

**Architecture and atmosphere:** The complex offers its residents a warm and friendly environment, ideal for both permanent residence and leisure.

The complex provides all the necessary amenities, such as an indoor pool, sauna, gym and basketball court. For children, there are play areas where they can have fun and safely.

**Convenient location:** The complex is only 1 km from the famous Long Beach, 10 km from the Eastern Mediterranean University, and 40 km from Ercan Airport. There are also supermarkets, schools, hospitals and other important infrastructure nearby.

The complex offers a wide range of apartments, including modern studios and spacious 2+1 apartments with access to roof terraces.

## Apartment types:
