Description

Immerse yourself in the world of luxury and innovation with unique villas located on the territory of the complex - a new point of attraction for entrepreneurs, investors, IT specialists and creative people from all over the world.

Top events with the participation of the best speakers are held here, and the impressive infrastructure of the complex is created for a full life, business and recreation.

Infrastructure of the complex:

- More than 65,000 sq.m. of territory with rich infrastructure
- More than 10 restaurants and bars offering a variety of cuisines under the guidance of chefs with world experience
- Luxury Spa with panoramic views of the jungle and an ultra-modern fitness center of 700 sq.m. The largest swimming pool in Ubud, over 80 m long
- Free coworking for guests and visitors of the complex

Each villa has its own garden, private terrace and swimming pool, creating an ideal space for privacy and enjoying nature.

Available villas:

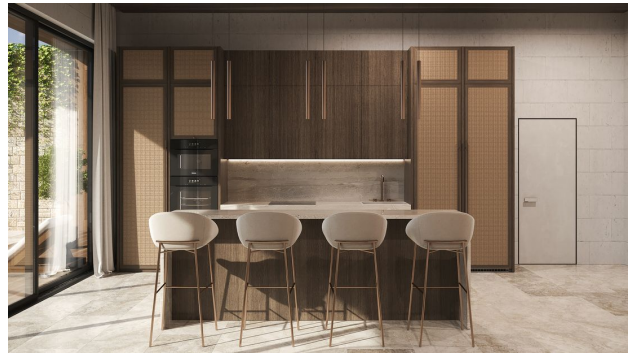

- **Villa 104 m² — \$310,600**
- **Villa 150 m² — from \$371,000 - \$410,000**

These villas on the territory of a large complex are not just housing, but part of an exclusive community, where life intertwines with business and rest in a unique atmosphere.
