Description

A modern apartment with 3 bedrooms and 3 bathrooms is located on the 14th floor of an exclusive residential complex in Benidorm, **just 100 meters from the sea.**

A spacious terrace of 20 m² offers picturesque views of the Mediterranean Sea, and **the total area of the apartment is 115 m².**

The apartment is equipped with a smart home system that controls the temperature, humidity and sunlight thanks to awnings.

Electric blinds and awnings, a mechanical ventilation system with heat recovery, as well as a centralized vacuum system provide a high level of comfort.

The wooden flooring gives coziness to the entire space, and the heating and **cooling system "warm / cold floor"** based on aérothermal energy makes the apartment environmentally friendly and energy efficient.

Residents of the complex can enjoy luxurious common areas: an outdoor infinity pool with salt water and a beach effect, lined with marble chips, of 350 m², and an indoor pool on the 19th floor.

The pools are heated by an aérothermal system or solar panels.

On the ground floor there is **a gym**, and on the roof there is **a social club** with a bar and a terrace where you can organize meetings and relax.

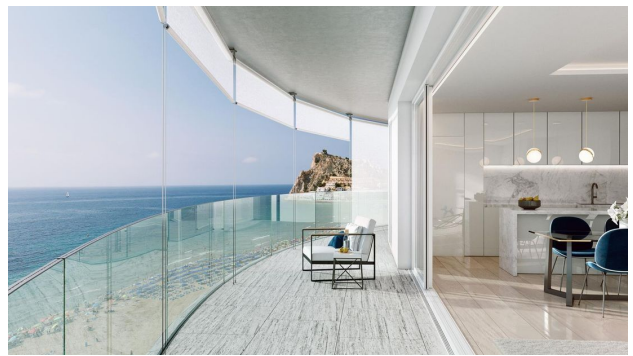

For an active lifestyle, there is a paddle **tennis court**, **a barbecue area in the garden**, and **a children's playground**.

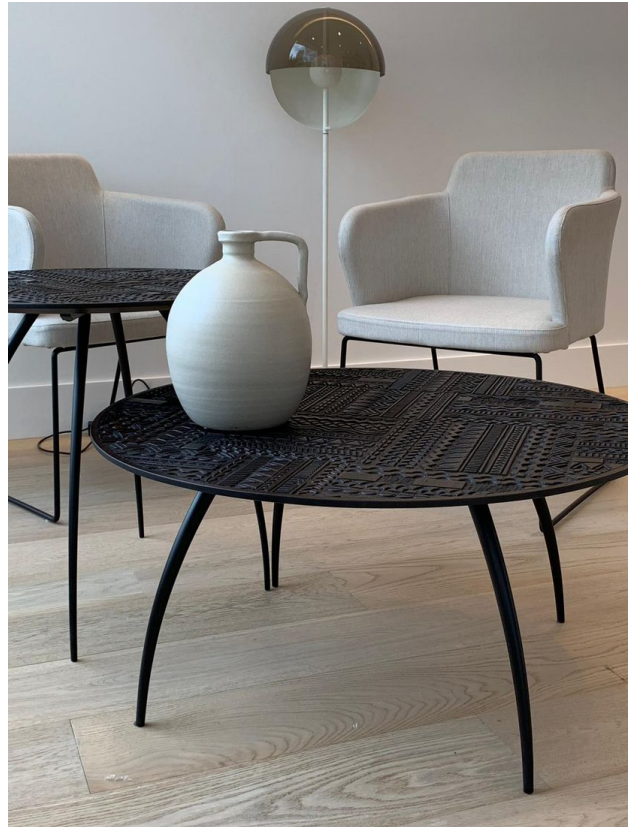

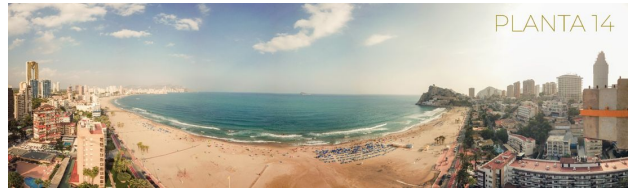

The complex also offers amenities such as a loading and unloading area at the main entrance, underground parking, a secure door, an elevator and an outdoor shower.

This complex is the perfect combination of luxury, innovation and sustainability, providing the highest level of comfort for its residents.
