Description

Detached villas located in a privileged natural environment next to one of the most exclusive golf courses on the Costa Blanca, La Alfarella, embody the perfect combination of modern comfort and traditional architecture.

The project includes three unique models of villas, each designed to maximize natural light and privacy.

A 3-bedroom villa, located on two levels, allowing you to enjoy panoramic views.

The design combines modern and traditional materials: the facades are decorated with natural stone and imitation wood, which gives the villas personality and harmony.

The living area of the villa is 122 m², and the **total built area is 231 m²**.

The villa is equipped with modern appliances, electric blinds, and includes a **private swimming pool measuring 6 x 3 meters**.

The plot of 417 m² includes a well-kept garden with an automatic irrigation system and private parking.

An alarm system ensures security.

With a spacious terrace of 82 m², these villas are ideal for those who value a combination of modern lifestyle, nature and privacy.

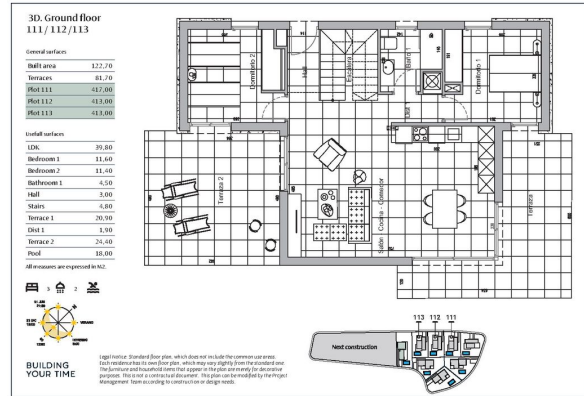

The construction will be completed in 2024, which makes this offer particularly attractive both for living and for investment.
