All apartments are delivered finished, with a built-in kitchen, wardrobes, plumbing, air conditioning and furniture.

The project is scheduled for completion **in Q1 2026**, with the possibility of an installment plan until the end of construction.

The complex offers a variety of recreation areas, including two swimming pools, children's and family playgrounds, a fitness center, barbecue terraces and a golf simulator. The main concept is harmony with nature and the creation of an oasis for relaxation.
