Description

A new development of luxury villas with smart technology in Phuket.

This exclusive project offers **45 luxury villas** that perfectly combine minimalist design with the landscapes **of Phuket.**

The complex is created for those who appreciate brightness and comfort, and also meets construction standards.

Each villa is equipped with **a private pool of 40 m²**, in a modern "smart home" style and decorated with premium materials such as marble, steel and gold accents.

Spacious living areas (from 388 to 419 m²) and carefully thought-out layouts create a cozy atmosphere that provides privacy and convenience. Plot size: 394 - 418 m².

On the second floor there are **three bedrooms,** including a master with a dressing room and a make-up area, as well as a study for work. **Four bathrooms** are designed in a modern style using high-quality materials.

Advantages of the complex:

- Panoramic pools and smart control systems create a luxurious atmosphere and comfort.
- Excellent location near the beaches and important infrastructure facilities makes the complex attractive for living and investment.
