Description

Unique apartments in a new residential complex located in the area **of Playa Flamenca, Orihuela Costa, Alicante.**

This project creates a real resort atmosphere due to its convenient location next to the beach, access to shopping centers and easy access to the AP-7 motorway.

A complex for a comfortable and quiet life by the sea.

Large park areas, walking and cycling paths turn the complex into a small town, where architectural harmony intertwines with majestic elements. Green areas decorate the facades, flower beds, and local flora enlivens the landscape.

For a comfortable stay, there are **outdoor swimming pools for adults and children (including heated ones), a jacuzzi, a Finnish sauna, water areas for children, decorative fountains and a lake.**

There is also a quiet relaxation area with a bar and aquabar, a gazebo with a terrace and a gym overlooking the lake.

The project has high efficiency standards: LED lighting, eco-faucets, solar panels for common use and water surfaces in green areas.
