Today, the most loyal conditions for obtaining citizenship by investment remain where this program originated - in the Caribbean. And one of the most attractive countries in this regard is Grenada ...

Grenada is an island nation in the southeastern Caribbean.

The country is a member of the British Commonwealth.

This is an offshore state with many benefits for tax residents.

- Official language: English.
- Climate: maritime tropical.
- Average annual temperature: 26°C.
- This is an ecologically clean country, where much attention is paid to the protection of natural resources.
- Flight to New York takes 5 hours

The cost of obtaining citizenship:

- \$50,000 - payment of state duty, for a family of up to 4 people
- \$220,000 - investment in a property approved by the government of Grenada (after 5 years, the acquired shares can be sold, returning the invested funds), for any number of family members
- \$0 - HAYAT ESTATE agency commission (we receive a commission from the developer, not from clients).

How to get citizenship:

1. Contact a HAYAT ESTATE immigration specialist who will help you find the best solution for you
2. With the help of a specialist, prepare the necessary package of documents and submit it to the immigration lawyer
3. After checking the documents at the state and interstate level, get pre-approval
4. Pay the state duty and a block of shares or a non-refundable fee
5. Obtain Grenada citizenship for yourself and your family and enjoy all the benefits it provides.
